Any other questions? Call 612-210-1752 or visit our website at www.moparsinthepark.com

Get Ready for a super Mopar weekend with so much to see and so many fun things to do

Race Cars, Race Cars, Race Cars - For 2016 we will continue to highlight racers and race cars that helped make history for the Mopar brand. We will have on display several race cars and drivers that campaigned their cars throughout the 60's and 70's.

Dyno and Burn out Contest - See Mopars in action as they put the Dyno through a grueling weekend of torture to show off just how much horsepower they can make. And breathe in the burnt rubber as several Mopar owners show off how much smoke they can make in the burn out contest.

Specialty Vehicles - 2016 will highlight the wing cars, come and enjoy these rare Plymouth Superbirds and Dodge Charger Daytona's. If you have one of these cars, and would like to be a part of this display, contact Mike and Kathy Johnson via email at displays@moparsinthepark.com.

Museum Vehicles - This year, in addition to our specialty vehicle display we are honored to be able to bring a selection of some special vehicles directly from the Walter P Chrysler museum to Mopars in the Park, along with some representatives from the museum. Don't miss this rare opportunity to see these vehicles and meet the people behind their preservation.

Acres of Mopars - Be a part of the largest all Mopar Car Show and Swap Meet in the Midwest. With more than 36 car show classes, you're sure to find the perfect fit for your Mopar!

Vendors and Swappers - If you sell anything Mopar, this is the show you cannot afford to miss. With over 1,000 Mopar enthusiasts and thousands of spectators through the gates, you will be busy with customers all weekend. Hundreds of vendors and swappers have enjoyed profitable sales in the past and this year will be no exception. For information on being a swapper, call Richard Burton at 651-755-7946. For details on being a vendor/sponsor, call Dan Patenaude at 612-801-0874.

Volunteers Have More Fun - Experience the show from behind the scenes and take pride in volunteering to host the largest all Mopar car show in the Midwest. For three hours of your time, volunteers receive a free car show t-shirt and free admittance to show. New and returning volunteers should contact Brenda Bultman at 507-581-4370 or email Brenda at volunteer@moparsinthepark.com. Note: Volunteers with a show car need to pay for their car show entry.

Check out www.moparsinthepark.com for more details on planned events for the show
